

Students will not be allowed to pick up their schedules in August unless proof of this immunization is submitted.

ALL 7th – 12th grade students will need proof of a Tdap booster shot before they are allowed to start school next fall.

Where to go for Tdap Immunizations

Insured Students – Please make an appointment with your family doctor as there may be additional immunizations that you should have. You may also check with local pharmacies such as Safeway or Walgreens, as they also provide some immunizations for children 10 years old or older.

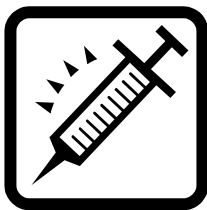

Uninsured Students – See Shasta County Public Health Clinic hours below:

Shasta County Public Health Clinic

2640 Breslauer Way

Redding, CA 96001

530-225-5591
