

Testing Timeline
SHS School Code 052585

Sophomore Year

- *October: PSAT for students enrolled in Honors Math 2 or higher.*
- *November: Pre-ACT*

Junior Year

- *October: PSAT*
- *January-June: SAT and ACT*
- *April-November: Retake test of preference (SAT or ACT)*
- *Compare SAT and ACT Scores <http://www.act.org/solutions/college-career-readiness/compare-act-sat/>*

Senior Year

- *SAT or ACT Retakes- Most colleges accept November as the latest possible score, however there are a few that will accept December test scores.*
- *Check with each school to find out specific deadlines.*

SAT Subject Area Tests

- *Should be taken immediately following the school year the class is taken.*
- *Students may take three subject area tests at one sitting.*
- *Students may not take a subject area test and the general SAT on the same day.*

Scores

- *SAT- students may decide to send their scores directly to four universities at the time of registration. Additional scores can be sent later for a fee per university. Students have the option of Score Choice when scores are sent later.*
- *ACT- students may decide to send their scores directly to four universities at the time of registration. Additional scores can be sent later for a fee per university if requested by mail or the web.*
- *California State Universities will “split scores”, meaning they will take the highest Math score from any sitting and take the highest critical reading score from any sitting.*
- *CSU Admission does not take into account writing on the SAT and ACT*
- *University of California will not “split scores”. The U.C. system uses your highest complete sitting.*
- *UC Admission takes into account writing on the SAT and ACT*
