

Dear Parents:

Our annual **Shasta High Athletic Boosters Dinner Auction** will take place on Saturday, November 16th at the Senior Citizen's Hall starting at 5 p.m. It is an evening event for adults that includes dinner, live, silent and dessert auctions, no-host bar as well as music & dancing. Teams receive a percentage of the money raised based on their contribution to the auction. The auction raises around \$30,000 each year.

Every family can participate in several ways...

- 1. Donations: Each athlete should collect at least one donation.** This could be a gift basket, gift certificates or stand alone item(s). You will find a solicitation letter attached on the website for businesses which you can use when making donation requests. You will also find a Donation Information Sheet that needs to be filled out and attached to the donated item. Without the Donation Information Sheet, your team may not receive proper credit for the donated item. Donations need to be collected and turned into the main office by **Friday, November 1st**. The sooner we get the item, the better. We'd like for every donation to receive credit in the program. We will also pick up items for you if needed; just let us know its location. You can also donate money if you prefer. Services are welcome donations, as well as tickets to an event or rental home/condo for a vacation getaway. However you choose to donate, it is all appreciated! **Every donation receives points based on value!**
- 2. Dessert Donations:** Each team is responsible for collecting 2 dessert donations for the dessert auction. These are often special family recipe desserts or treats purchased or donated from local bakeries. The desserts will be auctioned off in the same manner as the baskets/items, so they will need to withstand display at room temperature for an hour or two. It will also need to be delivered to the Senior Center the day of the event. **Points are awarded for each dessert and bonus points for highest selling dessert!**
- 3. Event Volunteers:** We have student volunteers on the day of the event before and after, but students are not allowed during the event as alcohol is being served. For this reason, we need parents to fill in during the event. There are many ways available to help, such as silent auction runner, dessert auction runner, check in, check out, spotter, etc... None of these tasks involve a large time commitment. Sign ups will be coming soon. **Points are awarded for every volunteer position!**
- 4. Table/ticket Sales:** Purchasing a table for you and your friends is a great way to have a fun evening. Tables seat 8 and are \$350 (one check only will be accepted for payment). Talk to other parents about organizing a table together. You can also purchase individual tickets for \$50 each. Table and ticket sales and payment can be turned into the main office. **Points are awarded for both table purchases and individual ticket purchases!**

All of the above mentioned forms are also available via the school website, shastawolves.com under the "Parents" tab, then select "Athletic Boosters". **This is the main fundraiser for many teams, so it is important that everyone contributes!** Each contribution made is assigned a point value, which will be tallied at the end of the event to determine each team's distribution of the event's net profit.

If you have any questions, please email shastasportsboosters@gmail.com or text me at 227-4904. Thanks for your support!
